## **CAMPAIGN ACTIVITY**

Bundaberg Tourism's integrated marketing campaigns leverage our region's hero experiences of Reef, Turtles and Culinary experiences to drive regional awareness and conversion. The comprehensive marketing activities cast a spotlight right across the region to build a deeper understanding of our holiday offering, which in turn encourages visitor dispersal in region, increased length of stay and overnight visitor expenditure.

CULINARY CAMPAIGN (April – August 2022) Summer is a peak season for High Value Travelers on the Southern Great Barrier Reef. The Summer campaign focuses on two of the Bundaberg region's hero experiences - the Southern Great Barrier Reef and the Turtles.

The campaign runs from September through to March with activity placed around nesting and hatching phases of the turtle season.
